Professional Experience

Mar 2016 – Oct 2018

Nexus Consultant: Lead Consultant

- Developed educational consulting programs for parents, applying analytical frameworks to identify and support learner growth
 - Conducted individualized guidance, learning plans, and progress evaluation to support long-term learner growth.
- Trained juniors in analytical thinking, instructional skills, and learner-centered approaches.
- Maintained ongoing academic-style follow-ups to refine learning pathways based on observed outcomes.

Feb 2021 – Sep 2023

Say Yes House: Account Manager

- Coordinated educational content projects, aligning learning objectives, scripts, and instructional outcomes.
- Collaborated with creative teams to develop learning-oriented media content and structured narratives.
- Managed client communication to align goals and keep the project consistent

Nov 2023 – Nov 2025

Atlantian: Analyst Coach

- Created and continuously updated the team's "Meta-gamebook" forecasting champion/item power shifts in upcoming patches to provide early preparation
- Produced analytical reports to support individual development and group learning strategies.
- Mentored 10+ learners in critical thinking, qualitative analysis and reflective practice; developed a structured Meta-gamebook as a learning and forecasting tool.
